4.1 Consideration of a resolution recommending to the City Council adoption of the Housing Element of the General Plan for the period of 2023-2031 and determination that adoption of said element is exempt from the California Environmental Quality Act pursuant to CEQA Guidelines per Section 15361(b)(3).

Project Planner: Sofia Mangalam

Project Description - A Housing Element is one of the seven mandatory elements of the General Plan that describes how local jurisdictions plan to meet the housing needs allocated to their communities. Every eight (8) years, local jurisdictions are required to review and adopt a Housing Element that is in substantial compliance with state housing element law. The 6th Cycle Housing Element update covers the planning period of 2023- 2031 and will replace the 5th Cycle Housing Element for the planning period of 2015-2023. The 2023-2031 Housing Element includes the following chapters: Review of Past Accomplishments; Housing Needs Assessment; Affirmatively Furthering Fair Housing, Constraints On Housing; Housing Resources; Site Descriptions; Ability to Meet RHNA; and Housing Goals, Policies and Programs. The Housing Element identifies three sites where a multi-family overlay zone designation would be proposed: portions of the Foothill College site, portions of the St. Nicholas School site, and the Twin Oaks Court parcels (at Arastradero Road/Twin Oaks Court, Los Altos Hills). Once adopted in substantial compliance with state housing element law, the 2023-2031 Housing Element will serve as the housing program and policy document governing the 2023-2031 planning period.
