

Los Altos Hills Public Art Committee

FINAL - Minutes February 11,2019

Called to order by chairman David Milgram: 6:05

In attendance: D. Milgram, D. Brauch, S. Newman, N. Andrews, F Tabatabai; George Tyson (TC Liaison), Associate Members: Gail Solomon & Kjell Karlsson (briefly).

Absent: R. Aber

2. Minutes of January 2019 meeting approved, Moved: N. Andrews, Second: S. Newman; Diane Brauch requested that any changes suggested by members to the minutes be limited to corrections of fact.

3. Presentations: Our new Liaison, George Tyson, introduced himself and offered his help.

4. Open Items:

A. Digital Art Gallery: Robyn Aber is our first LAH artist to present her art on the online site. A button & link have been installed on the PAC page & the LAH Town homepage to more easily find the art on the site. We have a list of artists waiting to display. Our task is to advertise that the site exists and entice people to watch the display. We need to verify if we have a counter on the page.

ACTION: Robyn is checking with Town staff to determine if the digital gallery can be shown on Town Hall monitors per request from Vice-Mayor Michelle Wu (who said the gallery achieved her original suggestion to PAC to consider a display of digital public art).

B. Nikki Andrews gave an update on Foothill College competition. She is still working on finding the correct person to present the idea.

C. ACTION: Farah Tabatabai will bring the photos for Amos Robinson's Kinetic art next meeting for us to vote on again.

5. New Business: A. David Milgram presented information regarding the meeting he and Nikki Andrews had with Mayor Spreen. We need to present to Mayor Spreen a clear statement of our mission and why art is important in a rural setting. He also requested we meet with other committees to discuss our plans; in particular Open Space, Pathways, Parks and Rec, and Environmental Design.

B. PAC presentation at Town events: Earth Day is April 15. Objective: visibility of group and to recruit new members. Consider a visual presentation and display our online gallery? Sarah Robustelli told us the camp-out event is not a worthwhile PR opportunity for PAC.

ACTION: All members please come with ideas for this event to the March meeting.

C. Recruiting new members to PAC:

ACTION: Come with ideas for this also, please.

D. PAC email: ACTION: David Milgram will work on allowing more committee members access to our email site.
