

Town Manager's Report for November 2 - 6, 2015

Planning/ Building/ Engineering Update:

The City **Engineer's Report** should return next week although Richard is on jury duty for most of the next two weeks.

The following project was approved at the November 3 **Fast Track** hearing:

- One and two story additions to an existing residence and a new second unit on property at **11555 Hillpark Lane**. Two neighbors were in attendance. One neighbor expressed concerns about visual impact and privacy. Conditions were added requiring modification to two windows on the elevation facing the neighbor's property, and the applicant will work with the neighbor on appropriate landscape screening (the landscape plan will go through the site development hearing process).

The **Planning Commission** took the following actions at its November 5 meeting:

- Forwarded a conditional use permit for an equestrian facility and a site development application for grading on property at **13115 Maple Leaf Court** to the City Council with a recommendation for approval.
- Forwarded a revised **Wildland Urban Interface (WUI) map** to the City Council with a recommendation for adoption of the new map.

The **Planning Commission** subcommittee reviewing **antenna regulations** will be meeting next week to discuss changes to proposed Zoning Ordinance amendments based on input from the public and the Planning Commission. A revised ordinance will go back to the Planning Commission for consideration in early 2016, and will subsequently be reviewed by the City Council.

Public Safety Update:

The Sheriff's **weekly report** is attached.

In preparation for the forecasted El Nino winter storms, we have added a "Be Prepared for Winter Storms" information page to the Town's website. A similar article will also be published in the *Our Town* newsletter – December issue. The link can be found here:

http://www.losaltoshills.ca.gov/documents/announcements/storm_preparation_2015.pdf

The Town has 10,000 empty sandbags in stock and a decent sized stock pile of sand. Sand is easier to replenish and is locally sourced. The public works crew is going street by street cleaning ditches.

Administrative Services Update:

Business License renewal is upon us and the **Administrative Services Department** identified two potential service providers who can manage the Town's business license operation. The benefit of outsourcing business license includes assuring regulatory compliance, reallocating staff to more pressing projects, diverting cash collection process to a third party, and providing online 24/7 business license application and renewal process. The two potential service providers, HdL Consulting and MuniServices, are used by many local jurisdictions. The fees and services are as followed:

| Services | HdL Consulting | MuniServices |
|--|----------------|--------------|
| Initial Setup | Waived | \$10,000 |
| Processing Fee | \$14/License | \$10/License |
| Annual CPI Adjustment | Yes. CPI-WU | Yes. CPI-WU |
| Printing, Mailing, Database Management | Included | Included |
| Website | Included | Included |
| Interface with Town's website | Yes | No |
| Regulatory Compliance | Included | Included |
| Required Quarterly Filing | Yes | No |
| Online payment and support | Yes | Yes |
| Custom reports and staff support | Yes | Yes |

The services provided by both vendors are very similar and the deciding factor, in addition to price, is customer service. By going with HdL, although the price per license is higher, the customer service element to vendors would be better. Having the Business License renewal and application website interface and mimic the Town's website will provide added assurance to users. Additionally, for the first year, it is cheaper for the Town to go with HdL, since initial setup has been waived. Currently, the Town uses HdL for property tax projection and have been very satisfied with the services provided.

For 2015-16, Meyers Nave's monthly retainer is \$10,000 plus incidentals and cost for special projects. To date, Meyers Nave has billed the Town for services from July through September with the following breakdown.

| Services | Total |
|---|-------------|
| Retainer plus incidentals | \$30,251.41 |
| Billable services to permits | \$2,717.56 |
| Special Legal Services (Including Linebarger) | \$31,284.91 |
| Total | \$64,253.88 |

Other major projects the Department is currently focused on includes the completion of the 2014-15 audit and 2014-15 financial report, drafting RFP to solicit banking services and reaching out to banks with local branches, hiring a Finance Manager, and working with PFM to develop better cash management strategies for non-CAMP investments and cash monitoring. The Department has also begun reviewing the Town's Employee Handbook to update the document with recent City Council adopted actions and to identify possible changes necessary for compliance issue or for consistency issue.

It's official! **City Clerk Deborah Padovan** has been elected by her peers to serve as the Chair of the Northern Division of the California City Clerk's Association. She wrote her first Chair's Message that can be found here: http://www.californiacityclerks.org/assets/docs/northern-nccca/nccca_2015_10_newsltr.pdf

Parks and Recreation Update:

Westwind Community Barn's new footing in the upper arena held up beautifully in the rain. Ready for riding the next morning and still looking great today.

Los Altos Hills is partnering with **Second Harvest Food Bank** for the first time. Give back to those in need! You can drop off non-perishable foods at various town locations during normal business hours: **Town Hall Lobby** and **Parks and Recreation Building** and Westwind **Community Barn**. Collection will be until Friday, December 18th.

Barn Lighting is happening Sunday, December 6th from 2:00-5:00pm at Westwind Community Barn.

Staff attended the **Regional Internship Program** meeting and discussed the success on this year's internships and projects for this coming year.

Godbe Research signed the Agreement for the needs assessment survey.

Our first composting education class **Compost Basics** will happen Saturday, November 7th from 10:00-Noon in the Parks and Recreation Building. This is a free course through University of California Agriculture and Natural Resources; we have a total of 7 people registered. For more information visit: www.ucanr.edu/compost.

Feel free to call or send me an e-mail if you have comments or questions.

Thanks.

Carl

**Santa Clara County Office of the Sheriff
Weekly Activity Summary
10/26/2015 – 11/1/2015
LOS ALTOS HILLS**

| PATROL ACTIVITY SUMMARY | | | |
|--------------------------------|-------------|------------------|--|
| DATE | BEAT | ACTIVITY | COMMENTS |
| 10/27 | L4 | Identity Theft | On 10/16, the victim received notification that unknown suspect(s) used the victim's personal information to file fraudulent 2014 tax returns in multiple states for an unknown total loss. The victim lives in Los Altos Hills. |
| 10/30 | L1 | Injury Collision | Occurred at 10:51 AM at Arastradero Road and Purissima Road. |
| 11/1 | L3 | Grand Theft | Between 5:00 PM on 10/31 and 7:00 AM on 11/1, unknown suspect(s) stole a bronze statue from the driveway of a residence in the 14000 block of Baleri Ranch Road for a total loss of about \$15,000. |
