Our objectives are to raise awareness of school options for the Los Altos Hills residents, provide periodic updates to our city council members, have a voice in the resolutions that impact LAH

4. Roles and Responsibilities: Meeting Minutes, Monitoring respective districts/schools and their board activities, bring relevant topics to the committee, ensuring deliverables are delivered
Discussion: We have a good coverage of the local schools Gardner Bullis, Egan, Bullis Charter, Fletcher Middle and private schools. Each of us has the responsibility to bring up our respective school issue.

Motion:

Marissa made a motion to approve Heather Rose as the committee secretary.

Kay seconded. All in favor.

5. LASD and BCS Facility Status Update

Discussion: Ying provided an update on the Prop 39 process. Egan, Blach and a subset of Loyola classrooms were offered to BCS for 2019-2020 school year in support of the enrollment growth. Both boards decided to postpone the Prop 39 response and focused on a long-term agreement.

6. Stanford GUP and PAUSD

Discussion: Heather provided the update on Stanford General Plan and the risk of re-assigning Los Altos Hills students from Nixon Elementary and Fletcher Middle to other Palo Alto schools.
